Caskapalooza*

I.P.A with Hibiscus Flowers

The addition of Hibiscus flowers blend with the hops and impart a pleasant fruity taste and gives this I.P.A it's unusually rose colour.

***Cask Fact: Cask Ale is Local**
since it has a short shelf life, cask ale is typically served close to the brewery. The fewer 'beer miles' that cask ale travels also makes it more environmentally friendly*

Cheers,

Your friends at The Grizzly Paw Brewing & CRAFT
