

Cask Conditioned Ale

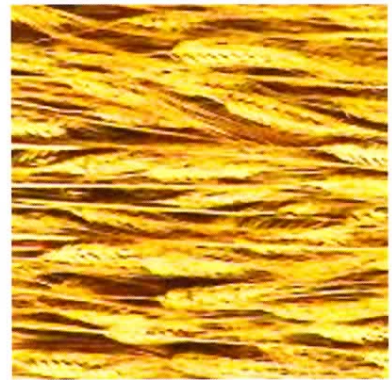

I.P.A. with white currants and Sorachi Ace Hops

Our North American style Wild Rose I.P.A., a beautiful malt flavor with a strong citrus character, has been infused with white currants to add a pleasing tartness to compliment the strong Sorachi Ace hops.

Did you know?

Cask conditioned ales are "one of a kind" brews available while supplies last ~within hours of tapping~ so don't miss out! The cask at CRAFT Beer Market's Caskapalooza will be served using a traditional beer engine (hand pump).

Great Ingredients = Great Beer
